NAMAS MEMBER BENEFIT!

Online medical practice management training from DMUniversity is one of the many valuable NAMAS membership benefits. With DMU, you have access to strategies used by the most successful medical practices. The 20+ video training courses are available right on your computer or handheld device! Plus, members who would like to earn the Certified Medical Practice Manager (CMPM®) credential can take the CMPM exam for only \$97.50. The entire CMPM certification package is worth over \$1,000!

Delivered by industry experts, the DMU curriculum can help you grow beyond your current body of knowledge and into a broader understanding of

- Practice operations
- Practice profitability
- Patient satisfaction
- Workplace communications

Take advantage of this special offer for NAMAS members only to receive powerful practice management training and the CMPM certification* while learning strategies that can help take your auditing career to the next level in today's growing market of opportunities.
